

Safe Family Cards

Allergy ID | Emergency Response | Medical Alert Icons | DNA | Identification

Buy **1** get **50% off** the **NEXT** www.safefamilycards.com

Affordable for all Families,
Why Risk not having One?

Accidents happen! Are you prepared?

Not JUST a card - this mini CD is designed to store the vital information needed in an emergency situation. A Quick response Time Saves Lives.

"having vital medical and emergency contact details, including accurate identification, ensures a quick response time - on many occasions it saves lives"

Dane Brett, Senior Paramedic, St John Ambulance
